	21 - 25	CRITICAL																																	

In welcoming back all of our pupils and staff, it is critical that safety and wellbeing is at the forefront of all of our thinking. The main guidance around this is: <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

This document has been designed to:

- 1) Identify sources of risk
- 2) Provide detail on what measures to be put in place in order to mitigate that risk
- 3) Assess what can be done to mitigate the risk
- 4) Having put the measures in place, to reflect on and score any residual risk

In putting the leaflet together we have taken on board a wide range of new guidance which recognises the challenges of having all children back in one building.

The assessment has been developed around the 9 systems of control around prevention and control:

Prevention:

- ① minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school
- ② clean hands thoroughly more often than usual
- ③ ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach
- ④ introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach
- ⑤ minimise contact between individuals and maintain social distancing wherever possible

⑥ where necessary, wear appropriate personal protective equipment (PPE)

Numbers 1 to 4 must be in place in all schools, all the time.

Number 5 must be properly considered and schools must put in place measures that suit their particular circumstances.

Number 6 applies in specific circumstances.

Response to any infection:

⑦ engage with the NHS Test and Trace process

⑧ manage confirmed cases of coronavirus (COVID-19) amongst the school community

⑨ contain any outbreak by following local health protection team advice

Numbers 7 to 9 must be followed in every case where they are relevant.

Hygiene remains at the centre of the strategy to control transmission, it must remain central to all activities. There is also greater emphasis on wellbeing.

Recognizing the logistics of having a full cohort of children, the guidance changes the emphasis from maintaining a set distance, to doing all that is reasonably possible to maintain distancing. 'Reasonably possible or practical' is defined by the HSE as 'weighing a risk against the trouble, time and money needed to control it.'

In conducting this risk assessment ***it is therefore critical*** that you can demonstrate that you have given thought to each risk and what is reasonable and possible to do in order to reduce / mitigate it.

We have outlined steps to take in order to reduce or mitigate risks, and ask the risk assessor to consider each one, decide on what action is reasonably possible and state the reason for this decision.

Where it becomes difficult to mitigate or reduce the risk,; e.g. lack of cleaning staff; or a measure is not deemed appropriate, you must note your reasoning. CST will then work with you to consider the best course of action which could include:

- a) Transfer the risk e.g. contract a company to clean and manage waste, engage with Department of Public Health
- b) . Accept the risk; this may be where the cost or impact on people is greater than the risk of transmission

Although we have produced this generic document, we recognise that every school is different, and we therefore expect each school to take a rigorous approach to interpreting risks in the context of their schools and to add any additional risks they may identify.

The risk assessment is a critical step in ensuring safety, so you must make sufficient time to ensure this is completed thoroughly and by staff who have been trained in undertaking a risk assessment. If unsure please contact Andy Roberts for guidance.

Despite putting the measures in place, there is always going to be a residual level of risk. Having reflected on the preventative measures you will put in place, please score the residual risk in terms of the likelihood of the risk manifesting and the impact.

A discussion with CST has been booked in with each school, to discuss the results and agree a risk score and any support required.

Risks change so you must review risks on an on-going basis and put measures in place to ensure wellbeing and safety, and also check that the measure put in place are working to ensure the controls are:

- ***effective***
- ***working as planned***
- ***updated appropriately considering any issues identified and changes in public health advice***

RISK BEING ASSESSED	PERSONS AT RISK & HOW e.g. employees, pupils, customers, contractors, members of public, other	MEASURES TO REDUCE RISK	HOW YOU WILL IMPLEMENT AND REINFORCE THESE MEASURES. <i>If you propose to accept the risk as you are unable to mitigate it, please note this.</i>	PLEASE DETAIL ANY LIMITATIONS AS A RESULT OF YOUR ENVIRONMENT. <i>If you feel preventative measures are not possible or appropriate, please state this along with your reasons</i>
<p>STAFF WELLBEING</p> <p>https://www.gov.uk/government/publications/staying-alert-and-safe-social-distancing/staying-alert-and-safe-social-distancing</p> <p>https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe</p> <p>https://www.gov.uk/government/publications/covid-19-guidance-for-the-public-on-mental-health-and-wellbeing/guidance-for-the-public-on-the-mental-health-and-wellbeing-aspects-of-coronavirus-covid-19</p>				
<p>Social distancing ①⑤</p>	<p>Staff at risk due to infection from working too closely with others</p>	<p>Control use of facilities to ensure distancing can be maintained, aiming for 2 metres at all times</p>	<p>Staff use different entrance and exit doors Limit the movement of staff around the school Teachers to stay with class groups. Communal areas for intervention timetabled. Main corridor needs restrictions. Inform teachers not to mingle in breaks, daily reminders and signage reminders Signs in place.</p>	<p>2 sets of toilets to use plus disabled toilet. Allocate staff to certain toilets. Other staff and children have to walk through communal areas where there may be interventions in place.</p>

			<p>Staff to use hall or spare classroom for breaks. 1 adult per classroom</p> <p>EL, GF, ED – to use toilet in front entrance JB and DG – to use disabled toilet in front entrance, VS to use staff toilet in EYFS.</p>	
<p>Social distancing ①⑤</p>		<p>Avoid unnecessary contact with other staff members</p>	<p>Staff to keep any face to face discussions/meetings to a minimum and avoid in close proximity, always 2 metres away and masks worn in these meetings. Catch-up conversations should be kept brief, socially distanced and whilst wearing masks. Where possible meetings with the whole staff to be completed via Google Hangout.</p>	
		<p>Signage to remind about distancing</p>	<p>Signage up around the school and also in the playground. Signage refreshed in Sept 21.</p>	
		<p>Ensure staff are aware of procedures</p>	<p>Staff meeting in July 2021 Staff handbook Staff reread risk assessment July 2021 and sign.</p>	<p>Regular review of procedures</p>
		<p>Encourage engagement with test and trace</p>	<p>Staff aware of expectations Staff handbook Procedure sheets on display Update on new advice about being a contact – July 2021 with reviewed pathway.</p>	

<p>Social distancing ①③⑤</p>	<p>Unavoidable contact may lead to transmission</p>	<p>PPE guidance provided by CST to be read by all employees, guidance sought where unsure</p>	<p>PPE guidance and training undertaken by all staff PPE equipment kept in an accessible are for all Regular handwashing and hand sanitiser Masks worn in communal areas when a risk of COVID case within the community. PPE best practice read by all staff Staff briefing September 2021 – safety advice given following guidance as well as Delta variant and increased cases in ER. Staff update September 2021</p>	<p>PPE equipment checked and ordered by GF</p>
<p>Wellbeing</p>	<p>Pressure on staff due to concerns or workload</p>	<p>Ensure staff are aware of wellbeing support that is available</p>	<p>Make sure staff get breaks away from the children - lunch managed now. Ensure all staff get PPA that they are entitled to. Additional time given to manage vulnerable child paperwork and provision in place for ED when EL out of school (ESIT). Work together as a team to support each other.</p>	
		<p>Regular one to ones with staff to discuss wellbeing</p>	<p>Regular check ins with staff.</p>	
<p>Allergies may be mistaken for Covid causing concern</p>	<p>Anxiety may be caused</p>	<p>Surgical masks available if required</p>	<p>Ensure following health and safety procedures. Well- being meetings as above.</p>	

③⑥			Regular updates of measures in place and any new advice implemented.	
Lack of staff due to unplanned absence	Inability to continue teaching	Robust plans in place to switch to online learning	All staff working together as a team with allocated roles. Staff aware of good practice. Staff meetings from September focus on training for improved IT provision.	Shortage of adults to cover staff who are off ill. Contingency plans in place with Ebor is needed if EL goes off sick
HAVING PUT CONTROLS IN PLACE WHAT IS THE RESIDUAL RISK FOR THIS AREA (Potential Impact x Likelihood)		Likelihood	Impact	Score
		4	3	12
AREAS OF CONCERN Lack of staff for different roles Higher expectation of staff to be multi skilled and cover range of situations No spare staff for well being Staff off sick will put pressure on remaining staff A contingency plan is in place if EL is absent.				
CHILD WELLBEING https://www.gov.uk/guidance/supporting-pupils-wellbeing https://www.gov.uk/guidance/supporting-pupils-wellbeing https://www.gov.uk/education/pupil-wellbeing-behaviour-and-attendance				

<p>Social distancing ①②③⑤</p>	<p>Transmission of virus through close contact</p>	<p>Schools to develop plans for group sizes and maintaining consistent group sizes</p>	<p>Whole school can be a bubble but is still separate the children as much as possible into 2 smaller groups. Use 3 different entrances, have 3 separate toilet blocks, separate the playground into 2 areas. Split the communal/ intervention areas so that each group have their own.</p>	
<p>Wellbeing</p>	<p>Children may be anxious with new rules and protocols</p>	<p>Encourage parents to reinforce protocols around distancing and provide information to prepare them for their 'new normal'</p> <p>Staff to reassure children and explain when needed</p>	<p>EL and ED meet regularly with parents to reassure</p> <p>School specific letters to all parents. Well- being resources handed out for over the holidays.</p> <p>Regular well being time created to discuss children's concerns.</p> <p>Well- being role in place where possible.</p>	
		<p>Additional support to be available to work intensely with children in particular at start of term</p>	<p>Wellbeing team managed in class due to staffing.</p> <p>Staff aware of online resources.</p> <p>Staff to use wellbeing folder on shared area.</p> <p>Wellbeing room created.</p>	<p>Contact appointed with responsibility for wellbeing.</p>
		<p>Close monitoring and observation of children to identify any signs of distress</p>	<p>Small class sizes – all adults to monitor.</p> <p>All adults have completed extra CPD during lock-down to prepare them.</p> <p>Weekly welfare meetings with all staff to share concerns or seek advice.</p>

ACCESS / EGRESS TO SCHOOL https://www.gov.uk/government/publications/staying-alert-and-safe-social-distancing/staying-alert-and-safe-social-distancing https://www.gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19			

<p>Travel to school ①⑤</p>	<p>Virus may spread if too close contact</p>	<p>Minimise number congregating at same times by offering staggered start and end times where appropriate</p>	<p>Reduced extended start and pick up times. Drop off at 8.55am - returning to usual pick up and drop off time. Register at 9.05 Pick up between 3.15 Adult on each door. EL monitoring playground.</p>	
		<p>Allocate supervised group collection points</p>	<p>Children entering and leaving using 3 separate entrances. Markings on the playground for children and parents to wait.</p>	
		<p>Ensure parents know they can't come onto site</p>	<p>Staff training.- relook at this to ensure parents are not stopping and talking for lengthy times. Parents are able to come and meet in the hall if prearranged and sign visitor sheet. Letters to parents Notice up at entrance</p>	
		<p>Put in place process for removing face coverings that may be used on arrival at school, ensure the process is known and followed</p>	<p>Staff remove travel face coverings. Staff put on new face covering to be used in all communal areas within school.</p>	
		<p>Ensure children over 11 yrs are aware they must wear a mask on public transport</p>	<p>Not applicable</p>	

Social distancing ①③⑤	Virus may spread if too close contact	Designated and marked out parking area for contractors and guests with safe distance	Contractors and visitors to use space next to school bus. Visitors by appointment only. Notice in reception outlining guidelines.	
		Number of entrances/exits at site maximised and limited to groups where practical	3 entrances for children to use. Staff to use front entrance.	
Transport ①⑤	Pressure on public transport/ road network	Encourage parents and children and young people to walk or cycle to their education setting where possible	Letter to parents	
		Measures to prevent use of and crowding on public transport including staggered start and finish times	N/A	
		Guidance given to early years Staff on dealing with soiled clothing	Revised Intimate Care Policy Staff training	
		Area to change allocated, Bags to put clothing in provided	Staff to bring in spare set of clothes. Bags kept in disabled toilet area and EYFS staff toilets.	
Airborne transmission ①③	Virus spread across school	Parents to complete and return allergy declaration form prior to children attending. Information to be securely stored with controlled access and disposed of after a year	Form to recompleted June 2021.	
		Health check questions to be asked before a child enters premises. Information to be		Not needed.

		securely stored with controlled access and disposed of after a year		
		Staff to wear face mask/ covering when moving around the school (e.g. any time when outside of normal classroom setting)	Regular verbal reminders/ posters in school, as well as emails to remind, especially in line with Delta strain. Use of mask upon choice in class when 2m teaching is not always practical (maintain 2m distance when not wearing mask)	
Airborne transmission	Potential to infect others	Ensure staff are clear on the need to provide a doctor's note for non- attendance	Lateral flow testing. Staff handbook	
High number of cases in local area - airborne transmission	All staff, pupils, parents/carers and visitors.	Use of masks/ face coverings for all parents/ carers as soon as they enter the school site (implemented from 30/11/2020)	Letter to parents, reminder in newsletter, posters. Verbal reminders at drop off & pick-up. EBOR letter sent to reiterate.	Possible medical exemptions - encourage as many as possible to wear face coverings.
Preventing those with specified health conditions from risks arising from attending ①②⑤	Spread of virus to anyone in school	Ensure staff and parents are aware that those with specified medical conditions which make them more vulnerable to COVID-19 should continue to follow Government advice	Risk assessments to complete if needed. Information to parents Visitors risk assessment.	
Close contact and airborne transmission ①③⑤		Plan in place to ensure distancing can be observed during access and egress of building	Lines painted on the playground Signage up Parents letters Head on duty on the playground	

Close contact and airborne transmission ①⑤⑥	Reception staff	Staff must operate behind their protected area	Reception full enclosed- reduced risk from visitors. JC - when in school to work on the wellbeing room, socially distanced.	
Close contact and airborne transmission ①②③⑤	All staff, guests and contractors	Keep wipes and hand gels on the sign-in desk at Reception.	Visitors to sign in with pen- wiped after use. Complete visitor form.	
Close contact and airborne transmission ①⑤	Reception staff	Deliveries should be placed outside the door of the school. Delivery to be picked up wearing disposable gloves which are then disposed of along with the container in the school bins	Reception staff to follow rules and procedures. Lidded bin in entrance hall.	
	Reception staff	Implement a booking system for parents and visitors coming into school, limiting the number in at any one time. Log of visits should be retained	Visitors by appointment only. Facility made to see visitors out of EL's office - hall. All visitors to provide a name and contact number.	EL's office too small for social distancing. Visitors to use larger space - hall.
		Ensure parents know they are not allowed to 'turn up' to school without an appointment	Parental information given out backed up by verbal clarification if needed.

AREAS OF CONCERN				
MOVEMENT AROUND BUILDING				
Virus contracted whilst moving around building through airborne or close contact transmission ①⑤	Staff/Children/ Contractors	One- way systems where possible	3 small groups- have own set of toilets, intervention area. Staff to remain as much as possible in 1 area of the school. Children remain in classrooms for lunch to avoid movement around school. Staff to stay in own rooms as much as possible during school day.	Unable to have 1 way on the only corridor that isn't wide enough for social distancing. Make sure all staff members know to give away before using the short corridor.
		No assemblies unless via hangouts or within class groups	Staff handbook	
		Educate staff and children on voice control to prevent the need to shout. Use posters to reinforce	Staff training. Children being trained. EL to monitor consistency across the school. Posters put up reminding everyone to use indoor voice.	
		Rotas and systems to avoid contact between groups	Playground separated into 2. Staff now used at lunchtimes.	

		Pinch points and bottle neck points identified and managed accordingly.	Staff room. Use of corridor outside of GF office.	
		Identify where screens would help prevent transmission of virus	Not needed	
		Signage in place to remind people and daily reminders from line managers	Signs in place outside and around school.	
HAVING PUT CONTROLS IN PLACE WHAT IS THE RESIDUAL RISK FOR THIS AREA(Potential Impact x Likelihood)		Likelihood 3	Impact 3	Score 9

AREAS OF CONCERN

**Narrow corridor outside the admin office. Ensure give way system is used at all times by staff.
Score raised due to higher rate of potential infection from new strain of Covid.
Reminder to staff to be vigilant.**

USE OF CLASSROOMS - EACH ROOM TO BE ASSESSED INDIVIDUALLY, PLEASE ADD ONE ROW FOR EACH ADDITIONAL ROOM AND REPEAT SAME CHECKS

<https://www.gov.uk/government/publications/preparing-for-the-wider-opening-of-schools-from-1-june/planning-guide-for-primary-schools>

<p>Classroom (Yrs 3 upwards) Assessing and preventing transmission of virus in the classroom through close contact or surface transmission</p>	<p>Staff/Children potential exposure to virus through close contact or picking it up from surfaces</p>	<p>Classrooms to be organised to maximise distancing</p>	<p>KS1 – 16 tables needed. Children now sit in tables. Use of intervention area for some CP. Use of spare classroom for intervention work. Classroom to be kept to a minimum with amount of furniture in. KS2 – children to sit in rows.</p>	<p>Furniture kept to a minimum.</p>
<p>①②③④⑤</p>		<p>Enter classroom one by one, populating seats front to back to reduce contact where possible. Children to exit the classroom one by one to allow use of toilet/ handwashing facilities.</p>	<p>Children have allocated spaces and only move if the area has been cleaned. Intervention areas cleaned between each use.</p>	
		<p>Arrange seating for children to sit side by side no more than 15 per row where possible</p>	<p>KS2- children sitting in rows.</p>	
		<p>Minimise face to face child/teacher time</p>	<p>Children using chrome books. Spare classroom used Outdoor classroom created. Less children in classroom can give teacher more room at the front of the classroom</p>	
		<p>Classroom based resources, such as books and games, should be cleaned regularly,</p>	<p>Staff handbook. Posters up around school.</p>	

		along with all frequently touched surfaces.	Staff to have tray with wipes, anti bac spray, gloves.	
		Resources shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles	Whole school is 1 bubble - although do not ever meet as one bubble. Each class will have their own science resources. Art will be done on different days between the KS1 and KS2 class. Area set up for any resources that need to be quarantined.	
		Windows and doors must be open to be maximise ventilation. Fire doors must remain closed unless fitted with fire alarm activated door closing devices	All areas have adequate windows. Open windows where possible, even if only for 10 minutes at a time during cold weather, to allow blow through of fresh air. Windows are open all day. Outdoor doors open during break times to allow lots of fresh air to enter.	School is very cold. Windows may be shut in classrooms but ensure there is adequate ventilation by keeping doors open or opening windows in communal areas.
		Own equipment only to be used by each child or allocated equipment where possible	All children to have all their own stationery. Parent letter	
		Mark out areas to reinforce distancing	Areas marked out in classrooms to protect the teacher. In playground – use of a barrier.	

		Daily awareness briefings by line managers, posters, manager spot checks	Procedures in place. Staff handbook.	
	TA/ Teaching staff	Only 2 members of staff in the classroom at any one time. Ensure socially distanced and wearing masks if going into another classroom if willing to do so.	EL to brief staff members. Verbal reminders as and when needed.	
Early Years and KeyStage One (Yrs 0-2) Preventing transmission of virus in the classroom through close contact or surface transmission ①③④⑤	Staff/children through close contact or picking it up from surfaces	Avoid time spent within 1 metre of a child	Small class sizes. Constant wiping procedures already in place. Supply of anti bac spray and wipes. Staff advised to change clothes daily. Staff advised to bring in spare set of clothes and to change if needed. Black bin bags provided for carrying soiled clothes for staff.

THIS AREA (Potential Impact x Likelihood)			
AREA OF CONCERN			
MAINTAINING HYGIENE https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings			
Hygiene practices ②③④⑤	Transmitting virus through lack of rigorous preventative measures	Do everything possible to minimise contacts and mixing while delivering a broad and balanced curriculum	Children into 3 groups who each have their own allocated areas. Classrooms to have their own resources. P E split into smaller groups and outside as much as possible. Any shared resources eg art/science left for 72 hours before moving to another class. Children into 2 separate groups with own entrances, toilets, cloakroom.

		Ensure sufficient washbasins so everyone is able to wash hands regularly	Use sinks in shared areas as well as sinks in the toilets. NP to make sure there is enough soap and hand towels every morning, ED every afternoon.	
		Supervise young children washing their hands to prevent ingestion and ensure thorough washing	Use of posters. Model hand washing. Reminding children about washing hands regularly - before and after playtimes/lunch. Children wipe own tables before they eat their lunch. Watch animations about hand washing. Supervise children that need it.	
		Build washing hands and 'catch it kill it bin it' into the culture	Use of tissues in all areas. Lidded bins in all areas. Posters Staff handbook	
		Enhance cleaning regime for busy areas	Extra cleaning happening twice a day.	
		Ensure the school has enough hand washing or hand sanitiser 'stations' available so that all	NP to fill up stations every morning. GF to replenish if needed	

		pupils and staff can clean their hands regularly		
		Supervision of hand sanitiser use given risks around ingestion. Small children and pupils with complex needs should continue to be helped to clean their hands properly. Skin friendly cleaning wipes can be used as an alternative	Skin friendly cleaning wipes ordered for EYFS. Use of posters. Model hand washing Watch animations about hand washing. Supervise children that need it.	
Surface transfer ④	Staff, Children & Contractors	Ensure surfaces are wiped at regular times	Need to use TAs and all adults for cleaning surfaces
