

November 2022 Newsletter

Hello from Mrs Pepper!

It is lovely to be part of Easington School and I will enjoy getting to know our Easington Community a little better in these coming weeks.

I understand that the change to a shared Headteacher may be a different way of working and I felt I needed to clarify our modes of communication to ensure that you know how to get in touch.

The first and most important link is your link to the class teacher. Mrs Whitrod, Mr Carrick and Miss Tipler are around on the door most days and happy to talk. If you require a longer discussion then parents evening is coming up on Tues 15th November or an alternative longer appointment can be made.

The best way to contact myself is via the admin email addresses:

admin.eas@ebor.academy or
admin.pat@ebor.academy

If you mark an email for my attention it will be forwarded directly to myself.

Alternatively, you can catch me on the door when I am in school, or you can call me either here at Easington or at Patrington School and if I can't take the call a message will be passed on. Thank you.

Once again we are proud to be selling poppies again this year. Our Year 6 children will be going around each class selling them to the children from Monday next week. There are also a number of other items for sale for a suggested donation of £1.

Staffing news

Sad news for us that Mrs Molton- Smith, our current Admin assistant, will be leaving us on 11th November. She has been successful in securing herself a position closer to home and although we will all miss her, we understand her reasons for leaving. It is a promotion in role for her, so I am sure you will join me in wishing her the very best for the future.

IS MY CHILD TOO ILL FOR SCHOOL?

It can be tricky deciding whether or not to keep your child off when they're unwell. There are government guidelines for schools. These say when children should be kept off school and when they shouldn't. **IT IS FINE TO SEND YOUR CHILD TO SCHOOL WITH A MINOR COUGH OR COMMON COLD.** Please see the link below from the nhs to help you:
