

KS1 Geography Autumn Term Where do we live?	
Previous learning: The children will build on learning where the school is and the area they live and people in the community from EYFS.	
Sticky Knowledge	
1. England, Scotland, Wales and Northern Ireland are the 4 countries of the UK 2. Easington is in England. 3. In Easington there are houses and a fire station. 4. In Easington there are fields. 5. North, South East and West are directions.	
Lesson 1 Geography Driver	The United Kingdom
	● To know that the United Kingdom (UK) is a union of four countries. ● Name and locate the four countries of the UK
Lesson 2 Geography Driver	Directions
	● To be able to use simple directional and positional language to give directions, describe the location of features and discuss where things are in relation to each other.
Lesson 3 Geography Driver	Playground
	● To familiarise themselves with a map of the school and Easington. Draw a simple map of the playground.. ● introduce north south east and west when describing location of features. ● .(but will not introduce human and physical words until year 2
Lesson 4 Geography Driver	Where I live
	● To know where they live and the surrounding area
Lesson 5 Geography Driver	What is in Easington?
	● Recognise basic human (things humans made) and physical feature (things that are there naturally) of Easington

Lesson 6 Geography Driver	Field work
	Field work around the village looking at basic human and physical geographical features
Lesson 7	Journalling Week
Vocabulary	
Near, far, house, school, street, shop , coast, harbour, port, cliff, city, United Kingdom, world, country, forest, wood, England, Scotland, Northern Ireland, Wales, valley, mountain, river, office, atlas, left, right	
Local Connection	
Walk around the local area.	

KS1 Geography Spring Term Maps	
Previous learning: In EYFS, pupils explore a range of maps and aerial photographs. Through continuous provision, pupils are encouraged to draw simple maps as part of their play. Pupils will revisit position and direction, which is taught in Cycle A (Autumn Term), as well as learning about aerial photographs. Pupils will build on their knowledge of maps from Cycle A (Summer Term).	
Sticky Knowledge	
1. A map is a drawing of a place that uses lines and symbols to represent real-life objects. 2. A map has a 'key' to show what each line and symbol represents. 3. People have used maps for hundreds of years to help them travel from place to place. 4. There are four main compass points: North, East, South, and West. 5. An atlas shows maps of continents, countries, oceans and the physical features of a place.	
Lesson 1 Geography Driver	Simple Maps
	• To devise simple maps; and use and construct basic symbols in a key • To draw a simple sketch map.
Lesson 2 Geography Driver	Creating routes
	• To use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map
Lesson 3 Geography Driver	Atlas Skills - The UK
	• To use atlases and globes to identify the UK and its countries
Lesson 4 Geography Driver	Atlas Skills - The World
	• To name and locate the world's seven continents and five oceans
Lesson 5	Aerial maps and photographs

Geography Driver	• To use simple fieldwork and observational skills to study the geography of the school • To use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features.
Lesson 6	Journalling Week
Vocabulary	
Map, atlas, globe, compass, north, south, east, west, map, scale, key, aerial photographs, human feature, physical feature	
Local Connection	
Local area walk	

KS1 Geography Summer Term Seasides: Comparing Withernsea, UK to Bondi Beach, Australia	
Previous learning: Children revisit keys, using the map's symbols to identify and locate significant human features. They will use prior knowledge of the local beach.	
Sticky Knowledge	
1. Locate 7 continents 2. Name 5 major oceans 3. Locate the UK on world map 4. Locate Australia on world map 5. Human and physical features.	
Lesson 1 Geography Driver	Where are the world's continents and oceans?
	• To locate on a map the oceans that link the continents. • To locate and name 7 continents and 5 oceans. • To locate the world's oceans on a map world map and recap the continents.
Lesson 2 Geography Driver	• Where is Withernsea and what features can we see at Withernsea beach?
	• Locate Withernsea on a world map • Weather, landscape and habitats Withernsea
Lesson 3 Geography Driver	• What does a birds eye view of Withernsea beach look like and can I draw a map of it?
	Draw a map of Withernsea beach eg. add detail to a sketch map from aerial photograph) Begin to understand the need for a key. Use class agreed symbols to make a simple key for map of Withernsea beach Use a plan view of the Withernsea beach

	● To know that a map is a picture or drawing of an area of land or sea that can show human and physical features. Maps use symbols and a key. A key is the information needed to read a map and a symbol is a picture or icon used to show a geographical feature. ● To be able to draw a simple map that uses symbols and a key ● To know that a key is the information needed to read a map and a symbol is a picture or icon used to show a geographical feature.
Lesson 4 Geography Driver	● Where is Australia and what is Bondi beach like?
	● Locate Bondi beach Australia on a world map ● weather, landscape and habitats of Bondi beach Australian coast
Lesson 5 Geography Driver	● What similarities and differences are there between Withernsea and Bondi beach.
	● To compare and contrast weather, landscape and habitats Withernsea with Australian coast
Lesson 6	Journaling Week
Vocabulary	
near, far, left, right, north, south , east, west, maps, keys, symbols, continents, equator, poles, hemisphere	
Local Connection	Lyfta link
To compare Withernsea and Bondi beach	The Lyfta Globe
